AWARDS FOR DISTINGUISHED WORK

I have seen some great work again this week. Well done to Gemma Pyrke and Amber Pankhurst (both 7R) who achieved Awards for their excellent Science work creating models of cells. Congratulations to Tilly Bilton (9Q) on her excellent Geography Assessment on HIV in sub-Saharan Africa which was a very thorough piece of work. Selina Summers and Ruth Brittain (9L) both achieved Awards for outstanding work on the same Geography Assignment as well as Awards for short story writing in English. Well done girls!!

184 BUS

We have had two complaints this week which have involved students travelling on the 184 bus. It is not clear whether these are the same girls or whether this is a coincidence. I would like to remind everyone that when you are outside of school in uniform, you represent not just yourself but everyone in the school. Please ensure that you are a credit to yourself and the school and that we receive compliments about your behaviour, not the reverse.

CELEBRATING SUCCESS IN HUMANITIES!

ILLNESS AT SCHOOL

Girls must not take it upon themselves to telephone parents to make arrangements for parents to collect them. If your daughter does not feel well she will be asked to get a note from her subject teacher which she then needs to bring to Student Services. Just because she is sitting in the medical room does not automatically necessitate a call home to be collected. If necessary, Mrs Levy will contact you. This is why it is essential that we have a work telephone number or second contact number.

FREE SCHOOL MEAL CARD

As from Monday 23rd January students will be able to use their free school meal card at breaktime. However, please note they will not be able to get a hot meal. Students will only be able to have a sandwich and a drink (no salad will be available with the sandwich). They will be able to have a pizza or bacon roll, but no dessert. If the girls want to use their FSM card at breaktime the cashiers will take their card from them. They may not use it again at lunchtime on the same day. The card will then be returned to them before the following day.

9Q GIVING NATION AWARD

9Q were presented with a certificate in assembly thanking them for all their hard work

in the Giving Nation Project last year. Anella Taylor thanked them for a production that was enjoyable to watch, and all the hard work that they put in to make it happen. A special mention was given to Hilda Wiredu, who did an incredible job organising the project and also for the great team effort from 9Q. Praise was also given for taking the project into the wider community. I attended the evening, and it was absolutely amazing! I would like to thank all the girls who contributed to this event last year and hope they continue with the good work. Well done girls!!
