

A detailed oil painting of a young girl's face, focusing on her eyes and ear. A small, realistic-looking earlobe is visible, with a thin wire passing through it. Attached to the wire is a white tag with a red border. The tag has the words 'FOR SALE' in bold red letters at the top, 'USED CONDITION' in smaller black letters below it, and a barcode at the bottom. Below the barcode, the numbers '0 705632 441947 >' are printed. The girl's eyes are a striking light blue, and her skin is rendered with soft, realistic tones and textures. The background is a plain, light color.
