

# #whatlearnttoday

We really hope you are all safe and well during these challenging times. We are currently living and adjusting to a new way of life, which has been pretty daunting! We hope you are settling into your new routines, staying connected and feeling positive.

Focussing on yourself is imperative at this time so we are launching the #whatlearnttoday activity. Why not take this opportunity to try something you have never done before (e.g baking bread) or learn something that has always been of interest (e.g Makaton).

Please email a picture of your #whatlearnttoday to your Head of Year where we can share them on Twitter (@qegsbarnet) for others to try.

Let's continue to keep the QE Girls' community spirit alive and connected!
