

18 July 2022

Dear Parents and Carers

We have managed the morning today. In order to take account of slightly raised temperatures expected tomorrow we have made changes to the day's arrangements for Tuesday 19 July. Lessons will be slightly shorter than today and the day will end slightly earlier. Timings are as follows:

Period 1 - 08:30 - 09:10
Period 2 - 09:10 - 09:50
Break - 09:50 - 10:05
Period 3 - 10:05 - 10:45
Period 4 - 10:45 - 11:25
Lunch - 11:25 - 12:00

Dismissal at 12:00pm

Like today students can choose to wear their PE kit, otherwise their short sleeve blouse with kilt and white ankle socks. Students should bring a wide brimmed sun hat, a large bottle of water and wear sunblock. Students with health conditions that make them vulnerable to extreme heat should stay at home.

Please let the school know if your child will require supervision tomorrow beyond 12.00pm (via email: office@qegschool.org.uk); it can be arranged until 3.15pm however due to anticipated extreme temperatures at that time you will have to arrange for your child to be collected so that they are accompanied on the way home.

Wednesday will resume with normal timings and we are all certainly looking forward to our planned celebrations for International Day at school. Students should be in their usual school uniform on Wednesday. PE kit will not be an option since temperatures are returning to normal for this time of year.

Thank you for your understanding of these special arrangements necessary for today and tomorrow.

Best regards

Violet Walker
