- Make clear to parents and students the type of support which is available and the means of applying for it
- Make clear to parents and students the attendance and behaviour conditions for receiving the funds

### 2. Guidance

This policy is based on advice from the Education and Skills Funding Agency (ESFA) on the [16 to 19 Bursary Fund guide: 2026 to 2027](#). This policy complies with our funding agreement and articles of association.

## **4. Roles and responsibilities**

### **4.1 The Board of Trustees**

The Board of Trustees has overall responsibility for approving this 16 to 19 bursary fund policy, but can delegate this to a committee, an individual trustee or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

### **4.2 The Headteacher**

The headteacher is responsible for ensuring staff are familiar with this 16 to 19 bursary fund policy, and that it is being applied consistently.

### **4.3 Staff**

Our staff are responsible for implementing this 16 to 19 bursary fund policy consistently.

The senior leadership team will provide staff with appropriate training in relation to this policy and its implementation.

### **4.4 Parents**

Parents are expected to notify staff or the headteacher of any concerns or queries regarding this 16 to 19 bursary fund policy.

## **5. How we use the bursary fund**

Financial support is available to eligible students from the 16 to 19 bursary fund. See section 6 below for details of our eligibility criteria.

The fund is intended to support students aged 16 to 19 in overcoming specific financial barriers to participation so they can remain in education.

There are two types of 16 to 19 bursaries:

- Bursaries for defined vulnerable groups; and
- Discretionary bursaries

We use the fund to provide students with support to fund:

- Transport, where it is not reasonable to expect the use of free transport
- Books
- Equipment
- Field trips and other course-related costs
- The costs of attending university interviews and open days
- Specialist clothing (such as protective overalls, for example)
- Meals

## **6. Eligibility criteria for the 16 to 19 bursaries**

### **6.1 Age**

To be eligible for either bursary in the 2026 to 2027 academic year, students must be at least 16 years old but under 19 years old on 31 August 2026.

Students aged 19 or over are only eligible for a discretionary bursary if they:

- Are continuing on a study programme or course which they began when they were aged 16 to 18 years old, or
- Have an education, health and care (EHC) plan

Students aged 19 or over are not eligible for bursaries for defined vulnerable groups.

### **6.2 Eligible education provision**

Students must be participating in provision that is subject to inspection by a public body that assures quality (e.g. Ofsted). The provision must also fall into one of these groups:

- Be funded directly by ESFA or by ESFA via a local authority;
- Non-employed students aged 16 to 19 who are participating in a Prince's Trust Team Programme are also eligible to receive a bursary in the same way as any other student participating in an eligible, publicly funded course
- Be otherwise publicly funded and lead to a qualification (up to and including level 3) that is accredited by Ofqual or is on the ESFA's list of qualifications approved for funding 14 to 19; or
- Be a 16 to 19 traineeship programme

### **6.3 Residency**

Students must meet the residency criteria in the [ESFA funding regulations for post-16 provision](#).

### **6.4 Asylum seekers**

Accompanied asylum seekers under 18 with an adult relative or partner and asylum seekers aged 18 and above are entitled to education but are not entitled to public funds. If necessary, they can apply to the Home Office for suitable housing and cash for essentials.

We will provide in-kind support such as books, equipment and a travel pass to asylum seekers who have not had asylum refused.

Unaccompanied asylum seeking children:

- Are the responsibility of the local authority;
- Are to be treated as 'looked after' children; and
- Are eligible for a bursary for vulnerable groups, where they have a financial need

When these students reach 18 years old, we will consider their immigration status. They will still be eligible for a bursary as a student from a defined vulnerable group if the asylum claim is in their favour and will be treated as a 'care leaver' until they reach the upper age limit.

## **6.5 Bursaries for young people in defined vulnerable groups (Priority 1)**

Students with a financial need, who meet one of the following 4 criteria below, in addition to the criteria outlined in sections 6.1, 6.2 and 6.3 above, can apply for a bursary for vulnerable groups.

The defined vulnerable groups are students who are:

- In care (NB: those who are privately fostered are not classed as looked after);
- Care leavers;
- Receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner; or
- Receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIPs) in their own right as well as Employment and Support Allowance (ESA) or UC in their own right

Students who meet the criteria for a bursary for vulnerable groups are not automatically entitled to a bursary. Students will not receive the bursary if they do not have any actual financial need (for example, because their financial needs are met from other sources and/or because they have no relevant costs).

Where a bursary is provided, the funds will generally be up to £1,200 per year. When calculating the amount, we will look at cases individually and base the outcome on a particular student's needs. Students will only receive the amount they actually need to participate and will not automatically receive £1,200 if they do not need the full amount.

We can use our discretion, on a case by case basis, and provide more than £1,200 per year if such would be necessary in all the circumstances for the student to remain in education. Any such additional payment will be paid either from our discretionary bursary allocation or our own funds.

We will review the student's eligibility position each academic year. Students will only continue to receive a bursary for vulnerable groups if they continue to satisfy the criteria.

## **6.6 Discretionary bursaries**

### **Priority 2**

In addition to the criteria outlined in sections 6.1, 6.2 and 6.3 above, students can apply for a priority 2 discretionary bursary if they are eligible for free school meals (FSM). The school will need to be satisfied that the application is genuine following the standard procedures that are currently in operation for application for FSM.

### **Priority 3**

Students who do not satisfy any of the criteria already listed in this section, with household incomes of less than £25000 will be eligible to apply for a priority 3 discretionary bursary.

There is no set limit for the amount of discretionary bursary that can be awarded to students. We will base all decisions around which students receive a discretionary bursary, and how much bursary they receive, on each student's individual circumstances and their actual financial need.

We will review the student's eligibility position each academic year. Students will only continue to receive a discretionary bursary if they continue to satisfy the criteria.

## **6.7 Evidence**

All applications for 16 to 19 bursaries must be supported by appropriate evidence.

Examples of acceptable evidence for proof of eligibility for the bursary for vulnerable groups are:

- for students who are in care or a care leaver, written confirmation of their current or previous looked-after status from the relevant local authority - this is the local authority that looks after them or provides their leaving care services. The evidence could be a letter or an email but must be clearly from the local authority
- for students in receipt of IS or UC, a copy of their IS or UC award notice. This must clearly state that the claim is in the student's name/confirm they are entitled to the benefits in their own right. The evidence must not state any conditions that prevent them from participating in further education or training. For students in receipt of UC, institutions must also see a document such as a tenancy agreement in the student's name, a child benefit receipt, children's birth certificates, utility bills and so on
- for students receiving UC/ESA and Disability Living Allowance (DLA) and Personal Independence Payments(PIP), a copy of their UC claim from DWP. Evidence of receipt of DLA or PIP must also be provided

Examples of acceptable evidence for proof of eligibility for the discretionary bursary are:

- Confirmation from the Local Authority of entitlement to Free School Meals (FSM)
- 3 most recent monthly award statements for Universal Credit (all pages must be included)
- Proof of household income, such as
  - a current Tax Credit award notice (all pages must be included)

The school will ensure that students are eligible for the discretionary bursary in each year they require support. Household income is calculated by adding together the income plus any benefits.

Giving false or incomplete information that leads to incorrect/overpayment may result in future payments being stopped and any incorrect paid funds being recovered. This might result in referral to the police with the possibility of the student and/or their family facing prosecution.

If there are **changes in circumstances** which may affect eligibility for a bursary, applicants and/or parents/carers must notify the school without delay.

## **7. Application and payment process**

### **7.1 Applications**

Applications should ideally be submitted by 18th September 2026 to allow enough time for our school to assess the overall level of demand and make discretionary awards on a fair basis.

However, we acknowledge that students' circumstances may change and therefore the application process will remain open for the whole school year.

Applicants will be notified in writing (either via email or via letter) whether their application has been successful, together with the amount of funding awarded. If a student wishes to appeal the outcome of their application for a bursary, they must follow the school's complaints procedure.

### **7.2 Payment process**

The school will base all decisions about which students receive a discretionary bursary and how much bursary they receive on each student's individual circumstances and their actual financial need. These will vary from student to student, depending on, for example, their household income, the distance they need to travel to the institution and the requirements of the study programme. The school will not make bursary fund payments as regular payments for living costs as this is out of the scope of the bursary fund.

- The school will use payment in kind wherever possible e.g. course materials. Students will need to itemise their requirements, seek approval from the school prior to any purchase and provide receipts as evidence.
- Where payments in kind are not possible, the school will make use of BACS transfer for payment to the student's own bank account.
- Eligible students will receive a small payment each term to cover general requirements to support their learning such as stationery.
- Some of the money to cover an individual's curriculum-related activities such as field trips or special equipment will be held back.

### **7.3 Conditions for the receipt of bursary payments**

Payments of the bursary are conditional on students meeting the following conditions in relation to their standards of attendance and behaviour:

- no unauthorised absence during the period the payment covers
- no lates without valid reason during the period the payment covers
- good behaviour

All students are required to declare that they agree to these conditions when submitting their applications.

Students who fail to meet these conditions may have their payment withheld, but we will always take students' individual circumstances into consideration. This includes considering the impact on attendance that might be caused by illness, caring responsibilities or other exceptional circumstances.

We will stop payments where students have been absent for a period of 4 continuous weeks or more (excluding holidays) and where students have decided to withdraw from a study programme.

We reserve the right to take back money from students where it is not spent for the reasons it was awarded.

We will consider the impact of such an action on the individual student before taking a final decision to do so, and any decision will be confirmed to the student in writing.

### **8. Record keeping**

Any paperwork and documents we retain for audit purposes (for example, copies of application forms, household income evidence and any agreements signed by students) will be kept securely in line with our data protection policy, privacy notices and record retention schedule.

### **9. Monitoring arrangements**

This policy will be reviewed by the Director of Finance and the member of the Senior Leadership Team with oversight of the Sixth Form every year. At every review, the policy will be approved by the governing board.
